

ST PHILIP HOWARD CATHOLIC SCHOOL

SECURITY POLICY

Approved:	For review:
February 2022	February 2023

Statement of Intent

The governors at St Philip Howard recognise the need to ensure the safety of every pupil, member of staff (permanent and temporary) and visitor to our establishment. We also recognise the importance of protecting the buildings and contents.

The Local Governing Body recognises that it has certain legal duties under the Health and Safety at Work Act 1974 and subsequent relevant legislation and will endeavour to fulfil this obligation.

This policy will not only apply to those working on the premises but to those engaged in off site activities, sporting events and home visits. The Local Governing Body wishes to make it clear that, whatever form and for whatever reasons, violence is unacceptable.

We are committed, so far as is reasonably practicable, to reducing the risk of violence and improving security by the implementation of this policy. Risk assessments will be undertaken to identify areas of concern and the appropriate control and preventative measures to be taken. These controls will include training, guidance and advice, codes of practice, physical measures and legal guidance.

Violence is defined as any incident in which a person or a member of their family is subjected to verbal abuse, threatening behaviour; harassment or actual physical assault in circumstances relating to their work. The Local Governing Body will be fully supportive to any members of staff or pupils who have been subject to violence at work. The effectiveness of this policy will depend on people to implement it and make it work successfully. This will involve every member of staff working together in a positive security and safety culture as part of a team.

Any member of staff, pupil or parent who has any suggestion for the improvement of policy or security arrangements will be welcome and encouraged to pass on that information to the Headteacher. A copy of this policy will be available to staff via the staff handbook. This policy will be reviewed at least once a year and upon significant change of circumstances.

Organisation and responsibilities

The Local Governing Body

The Local Governing Body will be responsible for ensuring the overall effectiveness of this policy by working closely with the Headteacher and other members of staff whose role it is to implement the requirements of this policy. This will involve considering and acting upon the recommendations of the Headteacher and Security Co-ordinator, prioritising actions where resources are required, taking account of security when considering the school plan and monitoring the effectiveness of security arrangements.

The Headteacher

The Headteacher will be responsible for the overall implementation of this policy and for the day to day management and implementation of security within the establishment.

Consideration must be given to the risk posed during the interviews with parents / next of kin. Any interviews where there is a significant potential for conflict (physical or verbal) must be carried out in the Headteacher's Office and be made by appointment only. In such cases two members of staff should be present. Office Staff should be made aware of any such meetings and can be on hand to offer assistance.

Lone Working

Staff should always endeavour to access the site when other staff members are in school.

All site staff have undertaken lone working training and when alone will not work at height, use ladders or work in confined spaces.

In the event of an emergency site Staff have access to a mobile phone app that allows them make a direct notification to the Business manager, who can arrange appropriate support.

The intruder alarm open and close is monitored and if not activated at the correct time, the keyholders would be notified.

Staff working outside school hours will:

- Make themselves aware of the essential contact numbers (Emergency Contact details are in Staffroom).
- Inform family / next of kin of intentions to work late and expected time of completion, and the procedures that are in place should they not return at the expected time.
- Lock external doors to buildings to prevent unauthorised access (subject to fire escape routes being maintained). This would usually be done by Headteacher/Premises Officer/Cleaning Supervisor. Information for Pupils / Parents

Good security will involve the co-operation of all persons who use the school site. Pupils and parents should feel part of this process. Pupils should be briefed regularly on the arrangements as they affect them, in assembly or by their class teacher but in a manner relevant to the level of security implications eg. never open the door to strangers/parents.

Cash Handling

Cash is kept to a minimum with all parents being encouraged to pay online for school trips. All sums of cash should be locked in the school office until banking – within the safe's insurance limits. Large amounts of cash should not be allowed to accumulate in the safe or remain on the premises during holiday periods.

All staff (teaching and non-teaching) will receive training in 'recognition and de-escalation of aggression techniques' and the correct procedures for challenging unknown / unauthorised visitors on site.

Emergency Procedures

Pupils are not to confront/challenge strangers on site at any time, but to report the situation to a member of staff immediately.

The level of staff response to an incident will depend upon the seriousness of the situation and risks involved.

Staff should never challenge any person unless it is safe to do so.

Staff who have serious doubts concerning a visitor/intruder or believe a violent act/damage may be committed should not challenge the person but inform the Head Teacher, Lettings and Security Officer or Security Co-ordinator immediately. They should observe from a safe distance/concealed position noting details of the intruder.

If approached by a person about to offer violence staff should move away and retreat to a safe distance.

Staff should not attempt to detain or remove an intruder from the premises using force.

If it is considered an intruder is about to enter the premises and commit a violent act, access points should be secured to prevent unauthorised entry. (Fire escape routes must be maintained). The police should be called immediately. To contain the incident consideration for closing blinds or curtains should be considered necessary.

The Admin Office will contact the emergency services on 999 if assistance is required and follow the Authorities and School's Emergency Plan if appropriate.

The school will develop and maintain good links with the local police and Crime Prevention Officer and seek advice as considered necessary.

A Lockdown drill will be practiced annually.

- b) Security Office
- c) Site Premises Officer
- d) Other members of staff as considered necessary
